Lighted Boat Parade Skipper's Information

1. Have your boat in the water south of Tidelands Park by 6:00 PM to be lined up. Parade begins at 6:30 PM.
2. Tune to VHF Channel 6 for parade information and direction. The Harbor Patrol Boat will be in the water assisting boaters. Please watch for them.
3. Wait for the parade director to let you know when to start. An announcement will be broadcasted over VHF Channel 6.
4. No open flames or Fireworks allowed on vessel.
5. For the enjoyment of all spectators, make every effort to continue along the parade route to Target Rock and then make the turn between Channel Marker 8 and Target Rock (BE AWARE - larger boats may need to turn sooner than the smaller boats). Additionally, we would request that all participants navigate the parade route twice. After the turn at Target Rock, head back to Tidelands Park and make the turn at Tidelands Dock and continue back to Target Rock.
6. For safety reasons, we would like to reiterate the importance of the manual propelled boats staying as close to shore as possible. With the combination of lights, generators and people, the larger boats have a tough time seeing the manual propelled boats along the route.
7. Please place your Parade Numbers visibly on the Starboard Side of your vessel.
8. No alcohol allowed during the parade.
9. Judging will take place in front of the Yacht Club and boaters are encouraged to complete a full circle at this point.

Cash Prizes and Awards will be given out at the Chamber of Commerce
845 Embarcadero Ste. D. the following day.

For the safety of others, BE PATIENT! NAVIGATE SLOWLY.
ANY VESSEL NOT CALLED BY JUDGES ORDER WILL NOT BE JUDGED
